

RAKSHITH KONGARA

Plano, Texas 75023 | rakshithcr83@gmail.com | 573-730-4276

PROFESSIONAL SUMMARY

Data Engineer with 4+ years of experience designing and supporting ETL pipelines, data warehouses, and reporting workflows using Python, SQL, and cloud technologies. Experienced in workflow automation, reporting support, data validation, and analytics across development, QA, UAT, and production environments.

EDUCATION

Cumberland University — Master in Engineering Management | Current

Eastern Illinois University — Master in Computer Technology | May 2023

Jawaharlal Nehru Technological University — Bachelor of Technology in Electronics and Communication | December 2018

CERTIFICATIONS

- Post Graduate Program in Data Science
- Post Graduate Program in Data Engineering

CORE SKILLS

- Python, SQL, R, Java
- ETL Pipelines, Data Warehousing, Data Lakes, APIs, Apache Airflow
- PostgreSQL, MySQL, SQL Server
- AWS, Azure, GCP, Docker, Linux (RHEL/Ubuntu)
- Git, Jira, Change Management, UAT Testing, Technical Documentation
- Data Validation, Predictive Analytics, Statistical Modeling

PROFESSIONAL EXPERIENCE

RTR Group INC (Arlington, TX)

Data Engineer | December 2024 – Present

- Developed and maintained ETL workflows using Python and SQL, improving data pipeline performance and reducing workflow failures.
- Automated reporting pipelines using Apache Airflow to improve reporting efficiency and dashboard refresh times.
- Worked with analysts and data scientists to support predictive analytics and operational reporting needs.
- Built and maintained API integrations to improve data sharing between enterprise applications.
- Created technical documentation and supported ongoing workflow maintenance and updates.
- Conducted UAT testing and validated data workflows to ensure reporting accuracy and completeness.

Vsion Technologies (Austin, TX)

Data Engineer | June 2023 – November 2024

- Implemented data workflows to process structured and unstructured datasets for reporting and analysis.
- Developed SQL scripts and Python applications for data extraction, transformation, and validation.
- Worked with DBAs to improve database performance and query response times.
- Supported change management and release activities across Development, QA, UAT, and Production environments.

- Maintained documentation for data models, workflows, and reporting processes.
- Worked with technical and business teams to gather requirements and support reporting solutions.

Amazon Development Center India (Hyderabad, India)

Last Mile Analytics and Quality Specialist | June 2020 – October 2021

- Monitored and analyzed logistics and operational data to support last-mile delivery processes.
- Created reports and dashboards to identify bottlenecks and improve delivery performance.
- Worked with teams to resolve data inconsistencies and improve reporting accuracy.
- Automated repetitive quality checks using Excel, SQL queries, and Python scripts.
- Documented findings and shared recommendations to improve delivery operations.

INSOFE (Hyderabad, India)

Data Engineering Intern | March 2019 – October 2019

- Assisted in building ETL pipelines using Python and SQL.
- Worked on data cleaning, transformation, and feature engineering for machine learning projects.
- Designed validation scripts to improve dataset accuracy and consistency.
- Supported Hadoop and Spark workflows for large datasets.
- Created dashboards and reports for project monitoring.
- Documented workflows and presented findings to mentors and peers.

ADDITIONAL HIGHLIGHTS

- Comfortable working with both technical and business teams.
- Familiar with Development, QA, UAT, and Production support environments.
- Fluent in Hindi and Telugu.

OTHER ACHIEVEMENTS

- Secured first prize at technical symposiums for presentations on electronics and machine learning topics.
- Represented the state team in cricket at All-India Nationals and participated in league tournaments.
- Served as Student Leader at Malla Reddy College for two consecutive years.
- Awarded first prize in a science and technology essay competition.
- Winner of a school-level quiz competition.
